BYLAWS of The Canterbury J Class (One Design) Owners Association Inc.

NOTE 1 Any change to the bylaws shall be by resolution of General Meeting passed with a two thirds majority of those **Members** present and voting.

NOTE 2 Clause 2 of the constitution sates; "*Promote class racing by organising or overseeing events / regattas for the class and members.*

NOTE 3 Clause 7.b describes a member

1 The society may hold moulds other than those specified in the constitution, they will be maintained in good condition. Sales prices will be set for the items produced from the moulds and the society will ensure these items are available for sale.

2 The committee shall decide how the supply chain works for items manufactured from its moulds but will have a Hull and Lead coordinator role to act as the principle sales contact and oversee the supply chain.

3 The committee is authorised to negotiate with interested persons capable of providing to the society product from any of the society's moulds and appointment suitable person(s) to manufacture items from them. Any final agreement(s) shall be in writing.

4 The committee shall nominate candidates for the following roles to be voted on at a General Meeting. (refer to 11.c.6 where the committee may appoint a person(s) to these rolls if the need arises).

a Hull and Lead Coordinator(s). That person(s) shall NOT be a person(s) who manufactures items from the society's moulds.

b Measurer(s).

c A person to maintain and keep up to date a register of all boats and sold hulls, lead keels and trim weights, this person may be the Hull and Lead Coordinator(s).

d A person to manage and look after the society's website.

(NOTE under clause 11.c.6 other roles MAY be appointed to the committee)

5 Any measuring of completed boats should take place with two measurers where ever possible.

6 Sailmakers, who have demonstrated and guarantee their sails will meet the societies class rules may be given authority by the committee to sign off fully completed compliant sails as measured. This authority may be withdrawn at any time.

7 All ideas for changes advised to the committee shall be investigated by the committee or subcommittee, documented and the results advised to the original person. (needed??)

8 The elected Vice Chairman will be the Newsletter editor or will facilitate the publication of the Newsletter. The newsletter publication should follow all committee meetings.

9 Where possible representation to the committee, but not necessarily on the committee from other significant areas is advisable. (Refer to constitution clause 11.c.6).

10 Areas geographically separated from Christchurch where membership is 10 in number they shall not be denied ready access to a measurer.

11 Measurement; No replacement measuring certificates will be issued until the boat has been re-measured.
